

## News Release

---

(HOLDREGE, Neb.) - The Central Nebraska Public Power and Irrigation District will begin maintenance work on the road bridge over the outlet at Johnson Lake on Wed., Nov. 2. As a result, the road will be closed at the bridge and a detour route around the site will be available.

The bridge, located on Johnson Lake Drive on the east side of the lake, will be out of service for several days. The detour will take motorists east on the Supply Canal access road for about half a mile and back west on the other side of the canal while the work is underway.
