

News Release

Electrical Service Work Scheduled at Holdrege Office on Nov. 6

(HOLDREGE, Neb.) – An electrical crew will be installing new electrical service to Central’s administrative office and shop on Fri., Nov. 6. Power will be disconnected at 10 a.m., although a portable generator will provide some lighting and power in the lobby area. The telephone system will not be affected, but access to the internet and the District’s servers will not be available.

A customer service associate will be on duty in the lobby and customers who wish to visit the office to make payments for last summer’s irrigation delivery service WILL be able to do so.

Power will be restored and normal business activity at the office and shop will resume on Mon., Nov. 9.
